PSI Scoreboard

Vad mäts i PSI scoreboard?

6 Local and regional PSI availability and open data communities (3 indicators; 40, 40 and 20 points, respectively)

6.1. Some local or regional PSI available and community activity

Indicator Question	Are there at least two local or regional governments that publish at least 10 PSI data sets for re-use, and do they have active open data communities in their jurisdiction?
Number of points awarded	40 points, if the question is answered with a 'yes'.
Sources relied on	Local, regional, national data catalogues, local and regional data sets available for re-use; open data community mailing lists, websites or web pages.
Semantics	Open data community: a (locally or regionally oriented) group of re-users, actively promoting PSI re-use, engaging with government.
